

Revelation 10

Mighty Angel,
7 thunders,
and the
little book

- **Strange “time out”** - mighty angel comes down from heaven clothed in a cloud, rainbow on his head, face like the sun, feet like pillars of fire. Has a “little book” (scroll). Set right foot on sea, left foot on land.
- When he shouted, **sounded like 7 thunders**. John told to “seal up” what they said.
- Angel swears no more delay, when 7th angel sounds the **“mystery of God”** would be finished, as He declared to His prophets.
- Angel tells John to **take the little book and eat it**, will make his stomach bitter, but will be sweet as honey in his mouth. John does so.
- Angel tells John he must **prophecy again** about “many peoples, nations, tongues, and kings” (it’s not over yet!)

“Seal up the things which the seven thunders uttered, and do not write them.”
